Crossing The Bar

Sunset and evening star,
And one clear call for me!
And may there be no moaning of the bar,
When I put out to sea,

But such a tide as moving seems asleep,
Too full for sound and foam,
When that which drew from out the boundless deep
Turns again home.

Twilight and evening bell,
And after that the dark!
And may there be no sadness of farewell,
When I embark;

For tho' from out our bourne of Time and Place
The flood may bear me far,
I hope to see my Pilot face to face
When I have crost the bar.

—Tennyson

FOREWORD

L'Ami for 1951 is published. The moments of laughter, the tears, and the events most cherished from the school year have been etched upon the record by the ink-stained fingers of the press. May this L'Ami recall the recent, be a mirror of the present, a record for the future.

ADMINISTRATION

"Take my intellect and use every power as Thou shalt choose."

OUR PRESIDENT

DR. PAUL E. PARKER

HAVE you ever asked yourself the question, "Would I profit from a college education?" If your answer is No, the chances are you are right, but strangely enough few people who feel that way enter the doors of a college.

The Society of Friends in America early regarded a college education as preparation for life-long service rather than a commodity to be enjoyed by an individual. No royal road to education has ever been discovered, but Quaker schools early offered excellent opportunity of enlightening the mind and deepening the soul in the great fundamental truths of God. George Fox believed in the equality of both sexes in education.

According to the needs of this hour of the world's history, we earnestly seek to serve every Christian young person who is interested in personal development and advancement with a Christ-centered program. Your problems are our problems. The Board of Trustees and the entire faculty of George Fox College earnestly seek to help every student to a firm foundation and a most excellent faith.

Paul E. Parker

DONALD McNICHOLS, M.A.
Professor of English

Concluding his first year of service at George Fox College, is Donald McNichols, dean of the college and professor of English. His teaching we have found enriched with true scholarship; his counseling founded on a genuine Christian faith; and his friendship sincere and unfailing.

ASSOCIATED STUDENT BODY

This year, 1950-1951, has been both inspirational and profitable for the G.F.C. student body. Led by President Wayne Piersall, the students have redecorated the A.S.B. office, installed a clock in the auditorium, purchased a copy of Sallman's "Christ at the Heart's Door" for the chapel and inaugurated a revision of the constitution. Beginning this year the students have also presented the Friday chapel program in addition to the regular Thursday business meeting.

CHAPEL OF THE HILLS

Charged with the spiritual leadership among the constituency of George Fox College is the Student Christian Union. In addition to conducting weekly prayer meetings, the S.C.U. sponsored two weeks of special evangelistic services during the year with Fred Baker and Dr. Donald Spitler as ministers. This organization is also the nucleus for the extensive deputation of the college. Chapels each week provide an outlet for student expression or visiting speakers, and the social life of the individual is stressed through the giving each semester of a formal reception for new students.

S. M. A.

The Student Ministerial Association is composed of those members of the student body who plan to become pastors and evangelists.

MISSIONARY CONFERENCE

Blessed of the Lord was the Missionary Conference held for the first time at George Fox this year. Joy Ridderhof of Gospel Recordings, and her companion, Mrs. Mabel Gwinn, made real the need of the world through dynamic words and vivid pictures. Answers to prayer keynoted the services.

BASKETBALL

GENE HOCKETT
Captain

The 1950-51 basketball season was one that will long be remembered by supporters of George Fox College. Coach George Bales turned out an aggregation which won 14 while losing only seven, a sharp contrast to the losing teams of former years.

For the second consecutive season the Quakers ended the Metropolitan Conference race in a second place deadlock, this time with Reed, University of Oregon Dental School took the championship.

Those lettering were Captain Gene Hockett, Fred Littlefield, Nigel Shockey, and Jerry Carr, forwards; Cliff Ralphs and John Wood, centers; guards Gerald Lemmons, Verne Martin, and Harry Magee; and Bill Field, who alternated at forward and guard.

COACH BARNEY (Mac) McGRATH

BASEBALL

Barney (Mac) McGrath, local businessman, once again gave his time to come to the George Fox campus and coach baseball. McGrath turned out a commendable team from 20 prospects.

The squad was very green, with half its members freshmen. This indicates outstanding possibilities for future years. Only outfielder Harry Magee was a senior.

Second Row: Coach McGrath, Lamm, Higgins, Clayton, Clark, Clarkson, Andrews, Brown, H. Magee, Lemmons, Manager Carr.
First Row: Martin, Smith, K. Magee, Hampton, Zeller, Livingston, Ryan, Isgrigg, Beebe.

TRACK and SOFTBALL

The inauguration of track at George Fox College was one of the accomplishments of the school year. Although lacking a track, the thinclads kept themselves in condition by running on the football field. Four men, Woody Fletcher, Marvin Hampton, Dick Riggs, and Howie Harmon made up the team.

Softball gained a firm place in the athletic picture as Woody Fletcher took over the coaching duties. Twenty aspirants turned out to compete for the various positions. The team played several games.

GIRLS BASKETBALL

The girls basketball team had a fairly good season, winning three, losing four, and tying one. Co-captains were Gladys Engle and Margaret Weber.

After the season, Florene Price, Marjorie Larrance, and Alice Hodson went to Linfield college and competed in a free throw tournament with other colleges of this area. The trio took first place and brought back a nice trophy for their performance. It is a traveling trophy, that is, one held each year by the tournament victor, until one school has won it three times.
